## Real World Learning Strategic Plan

## Lee's Summit RVII School District

Mission: To Prepare Each Student For Success In Life

# District Alignment

## Board of Education Priorities

**Board Priority 1:** Increase the achievement of every child through a continued focus on innovative practices, student well-being, and equity in program design and implementation.

**Board Priority 2:** Ensure equitable access to future ready learning environments by further engaging stakeholders in the continued implementation of the Comprehensive Facility Master Plan by identifying PreK-12 facility projects in anticipation of an April 2020 “no tax increase” bond issue.

# District Alignment

## Comprehensive School Improvement Goals

**CSIP Goal I:** Each student will be provided a personalized learning experience that creates student ownership of learning thereby demonstrating growth in student achievement as evidenced by local, state, and national norm comparisons.

**CSIP Goal II:** The District will increase student connectedness and engagement to the school experience as measured by student participation.

# Accountability

## Through Instruction

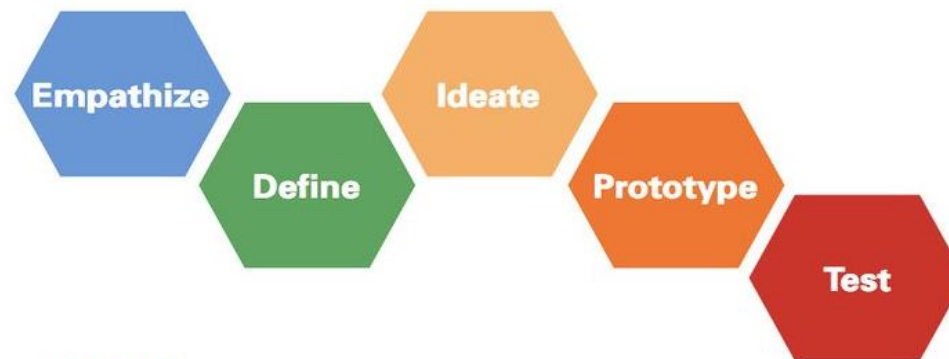

- Inquiry-based instructional belief and framework
- Professional development alignment
- Elementary school career and passions-based exploration
- Middle school igniting of career and interest-based alignment
- Design thinking exploration based course

# Accountability

Expanded opportunities for virtual or traditional connections to explore and ignite passions

# Conditions

## Student Voice and Choice

- Students decide what they want to study
- Who they want to work with
- What outcomes they expect
- Where and when they do their work

# Conditions

## Community Connections

- Career navigators for community connections
- Track MVA data and formalized business and education partnerships in a data portal
- Externship opportunities for our teachers in alignment with our community through summer graduate courses

# Conditions

## Barrier Elimination

- Transportation
- Flexibility for graduation requirements flexibility
- Seat time and scheduling
- Space, time place barriers
- Reorganization of positions
