

# School Counselor Network

## Join a professional network of your peers!

School Counselors are invited to a one-day workshop and on-going networking and coaching focused on how to support your your students in career exploration and MVA achievement before graduation.

## Benefits & Takeaways

- IRC and Credential understanding as it relates to career pathways and your school's course catalog
- Creating individualized plans for students
- Social / Emotional resilience when planning for the future
- Using resources and tools
- How to support student agency in MVA experiences.
- Access to resources and coaching throughout the 23/24 school year.
- Network with other school counselors both in-person and online. Have something that's working well? Bring it and share!

## Workshop Format

- Course Catalog / Scheduling - Challenges and Opportunities to identify where RWL is happening..
- Scope and sequence for career exploration and experiences.
- Utilizing student ambassadors for peer support.
- Students social-emotional support
  - How to take the anxiety out of planning for your future
  - Motivating the unmotivated
